Sir:

PRELIMINARY AMENDMENT

In order to place the above-identified application in better condition for examination, please amend the application as follows:

IN THE CLAIMS

Please amend claims 4, 5, 11 and 12 as follows:

A1 4. {AMENDED} System according to claim 1, characterised in a service configuration element in communication with said service executor and adapted to convey service configuration information to said service executor.

5. {AMENDED} System according to claim 3, characterised in that said call set-up request and information is according to H.323 or SIP.

A2 11. {AMENDED} The telecommunication system of claim 9, characterised in that said media layer network side media handler is provided with a communication port
